

A Ministry for Children and Youth

Bringing Hope and Joy to Our Neighborhood

*“Therefore go and make disciples of all nations,
baptizing them in the name of the Father and of the Son and of the Holy Spirit”
(Matthew 28:19)*

As the sun began to rise over the neighborhood on a Saturday during Christmas break, a sense of excitement and purpose filled the air. We were ready to embark on a mission of love and service. Inspired by the example of the disciples who went out two by two, we set out to deliver goodie bags, gifts, and, most importantly, the Gospel to the families in our community. Two of our faithful volunteers, Mary Ann Allen, our new Assistant Director, and Sydney Trotter handed out goodies with me on two separate occasions, and were blessed to be invited into the kids home. Nine of our children and two moms stood in a circle, and we prayed for their needs.

The streets were alive with the buzz of activity as we knocked on doors and greeted our neighbors with warm smiles and heartfelt conversations. Each goodie bag we handed out was filled with delightful treats and small, thoughtful gifts, carefully chosen to bring a moment of joy and surprise to the recipients. But beyond the tangible items, we carried with us a message of hope and salvation that transcends any material gift.

Our team of volunteers is truly a blessing. Their willingness to minister to our kids and their moms is a testament to their dedication and love for our community. As we visited each home, we were met with grateful smiles and open hearts. The children, in particular, were eager to receive the goodie bags, their eyes lighting up with delight. But it was the conversations that followed, the prayers shared, and the stories of faith exchanged, that truly made an impact.

God is moving powerfully in our community, drawing parents closer to Jesus through the faith and enthusiasm of their children. It is a beautiful sight to witness—the seeds of faith being planted in the hearts of our kids, and the ripple effect it has on their families. Many parents have expressed how their children’s involvement in our programs has sparked a renewed interest in exploring their own faith journeys. Through the innocence and curiosity of their children, they are being gently pulled closer to the love and teachings of Jesus.

“It is a beautiful sight to witness—the seeds of faith being planted in the hearts of our kids, and the ripple effect it has on their families.”

As we continue our outreach efforts, we are filled with gratitude for the opportunity to serve our community in this way. We are reminded that even the smallest acts of kindness, when done in the name of Jesus, can have a profound and lasting impact. We are committed to continuing this mission, knowing that God is using us to bring hope, joy, and the transformative power of the Gospel to our neighborhood.

In conclusion, our journeys through the neighborhood was a heartwarming and spiritually enriching experience. We are blessed to have a team of volunteers who share our vision and dedication to ministering to our community. Together, we are witnessing God’s work in action, as He draws families closer to Him through the love and faith of their children. Let us continue to be His hands and feet, bringing the light of the Gospel to every corner of our community.

Your continued prayers and donations allow us to fulfill the Great Commission within our local “nations”, a.k.a. our neighborhoods. These kids are blessed beyond measure because of your belief in our mission, and we could not do any of this without your support. The interactions you have just read about bear witness to the fruit of your giving! **Praise the Lord!** Because of you, households are coming closer to the saving love of our Lord and Savior, Jesus Christ.

God bless you all for your generosity.

Please feel free to supply an unlimited amount of prayers over our kids’ ministry. The Christian Outreach Center appreciates this the most!

Eileen*
