

COC & Vacation Bible School

“Diving” Into the Book of John...

Here we are, just about two months since we last saw our kids. As we paused for the summer, I realized that these children have found a place in my heart, forever. I found myself thinking frequently about them and their situations.

Then, just like God, He showed up with an opportunity to serve Him during the summer through our ministry. We get to be with our kids!

A few months ago, we introduced Pastor Drew Grubbs of Crossroads Church in Palm Harbor and his youth team from Keswick Christian School to the children at COC. Their church is hosting a Vacation Bible School and COC has been invited to attend! We said 'yes!' and we will be driving our kids there.

The theme of Vacation Bible School is “Scuba” and we will be diving into the book of John. How exciting is it

that we get to plant some seeds into the spirits of the kids! Even more exciting is that for some of the kids, the seeds have already been planted, and we are now watering and cultivating His word in their hearts. Praise God!

Some of the lessons will include where to find Scriptures to help the kids when they are angry, depressed, or need encouragement, help, or wisdom. We will be using the book of John to drive home some valuable lessons. The are as follows:

- Water to Wine
- Mud in Your Eye
- A Super Supper
- A Fishing Frenzy
- An Empty Tomb

We can't wait to get back to you with how much fun we had, and with some of the most precious moments.

Vacation Bible School will be held over July 22nd to July 24th.

I'm looking forward to seeing what God has in store for them (and for us, too)! May God bless you and your families. Please keep our children in prayer: for safety and an open heart to receive and experience God's peace and direction.

In His love,

Eileen
